

Redefining Our Schools

THE PATH FORWARD

Community Meetings

A Redefining Our Schools update was presented to the School Board and the community at the August 27, 2024, School Board Workshop. Superintendent Dr. Howard Hepburn reaffirmed his redefining goals, which are led by Broward Schools being the “Choice” for our students and families. Staff outlined the implementation of a detailed marketing and customer service plan that will be key to our redefining efforts. A variety of data were used to identify eleven clusters of schools (eight elementary clusters and three middle school clusters) for opportunities to explore strategies to address under-enrollment. The meetings listed below are opportunities for the community to provide input on redefining options for the identified schools. All meetings will take place from 6:00 p.m. to 8:00 p.m. We look forward to working with you, as we are **#ONEBROWARD!**
